

## Trustee Candidates for terms 2024-2027

### **Alicia Alvero Koski AB'15, JD'20**

Alicia graduated from Harvard College in 2015 with a concentration in history and from Harvard Law School in 2020 with a J.D. She joined the RMHUC Steering Committee in 2022 and focuses primarily on organizing social events for alumni. She grew up in Colorado (Centennial) and currently works as an Assistant U.S. Attorney in the civil division of the Colorado U.S. Attorney's Office.

### **Paul Chessin AB'75 ('76) magna cum laude in Physics, JD'79**

Paul is a long-time member of the Steering Committee and is currently the Secretary of the Club. Which means for the past 3 years 'I have the privilege of taking notes during our meetings, and then trying to decipher my notes and turn them into something coherent.'

Paul writes: 'I am currently retired. My last full time job was as a Senior Assistant Attorney General in the consumer protection section of the Colorado Attorney General's Office. I now do some volunteer work for Colorado Legal Services. But my big retirement gig is I work (very very part time) for Alterra Mountain Company. For those snow riders among you, this is the company that brings you the Ikon Pass (i.e., the anti-Vail 😊). I work events, selling Ikon passes. So, if anyone is unfamiliar with the Ikon pass and is interested, let me know; I may be able to get you a discount.'

Paul grew up in Great Neck, New York, and moved to Colorado in 1983.

### **Stacey Fiske, SB'13**

Stacey Fiske (SB '13) has been a member of the Steering Committee since 2017. She is currently serving as Treasurer and co-chair on the Schools Committee. Stacey grew up on northeastern plains of Colorado, and she credits her Harvard interview as her first positive experience with the RMHUC that led her to want to get involved with the club. She concentrated in Engineering Sciences and is currently a Monitoring and Diagnostic Engineer at Xcel Energy in Denver, CO.
